**FOR IMMEDIATE RELEASE**

## **CARNEGIE POLICE ANNOUNCE THE ADDITION OF A CERTIFIED “CHILD PASSENGER SAFETY TECHNICIAN”**

**In our on-going effort to provide a complete range of services to the community, the Carnegie Police Department is pleased to announce that we now have a Carnegie Police Officer certified as a Child Passenger Safety Technician.**

**Officer Dennis M. Lawrence, an 18 year veteran of the CPD, recently completed an intensive 4-day course which will allow him to teach parents and caregivers the proper use and installation of child restraints systems and safety belts.**

**There are many parents and caregivers who have questions about, or need help with properly installing and using child restraints systems. Carnegie residents will now be able to get assistance from a Carnegie Police Officer in this extremely important safety matter by contacting Officer Dennis Lawrence at (412) 276-4245 Ext. 1313, and making an appointment for an inspection and one-on-one personalized instruction on how to properly use their child’s car seat.**
