NOTICE OF COLLECTION DAY CHANGE for CARNEGIE BOROUGH RESIDENTS

Republic Services is committed to providing efficient, consistent service to our customers. We have identified an opportunity in your area; please see below and the **included 2024 calendar and street list**. Keep the calendar and street list on hand to refer as needed; this information will also be available on Carnegie Borough's web site at www.carnegieborough.com.

Your trash **and** recycling **collection schedule will be changing** effective the **week of January 8, 2024**.

The changes being made will result in the collection of your trash and recycling on the same day, which simplifies collection. However, you may experience a day AND/OR recycling week change. **A new 2024 calendar and street list are printed on the back for your reference. The street list headings are color coordinated with the calendar so that you can easily find your street and match the color at the top of the column where you find your street, to the calendar. Please note the dates; some residents may find that their recycling collection WEEK has also changed.**

The first week of January you will follow your current schedule (with a one-day delay for the New Year holiday). **Schedule changes will be effective the week of January 8.**

Please have your waste at the curb the evening prior to collection, to ensure it is out when we arrive. We strive to maintain consistent times; factors such as schedule changes may result in different than normal collection times. We appreciate your understanding and cooperation as we work to provide excellent service. We can be reached at 412-429-2600 with questions.
